

There are currently 15 registered clearing agencies, three clearing agencies that have been granted an exemption from registration, and two entities with pending applications for an exemption from clearing agency registration. The Commission staff estimates that each initial Form CA-1 requires approximately 130 hours to complete and submit for approval. Hours required for amendments to Form CA-1 that must be submitted to the Commission in connection with material changes to the initial CA-1 can vary, depending upon the nature and extent of the amendment. Since the Commission only receives an average of one submission per year, the aggregate annual burden associated with compliance with Rule 17Ab2-1 and Form CA-1 is 130 hours. Based upon the staff's experience, the average cost to clearing agencies of preparing and filing the initial Form CA-1 is estimated to be \$16,391.

Rule 15c2-5 prohibits a broker-dealer from arranging or extending a loan to customers, not subject to Regulation T (12 CFR 220), in connection with the offer or sale of securities unless, before entering the transaction, the broker-dealer: (i) delivers to the customer a written statement containing specific information concerning the terms, obligations, risks and charges of the loan; (ii) obtains from the customer sufficient financial information to determine that the entire transaction is suitable for the customer, and (iii) retains on file and makes available to the customer a written statement setting forth the broker-dealer's basis for determining that the transaction was suitable. The collection of information required by the Rule is necessary to execute the Commission's mandate under the Exchange Act to prevent fraudulent, manipulative, and deceptive acts and practices by broker-dealers.

There are approximately 50 respondents that require an aggregate total of 600 hours to comply with the Rule. Each of these approximately 50 registered broker-dealers makes an estimated 6 annual responses, for an aggregate total of 300 responses per year. Each response takes approximately 2 hours to complete. Thus, the total compliance burden per year is 600 burden hours. The approximate cost per hour is \$25.00 (based on an annual salary of \$52,000 for clerical labor), resulting in a total compliance cost of \$15,000 (600 hours @ \$25.00 per hour).

Although Rule 15c2-5 does not specify a retention period or record keeping requirement under the Rule, nevertheless broker-dealers are required to preserve the records for a period no less than six years pursuant to Rule 17a-4(c). The information required

under Rule 15c2-5 is necessary for broker-dealers to engage in the lending activities prescribed in the Rule. Rule 15c2-5 does not assure confidentiality for the information retained under the Rule.³

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General Comments regarding the estimated burden hours should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; and (ii) Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.
